

## Proceeds to Benefit . . .

In the summer of 2005, St. Peter Interparish School began a massive transformation. As part of St. Peter Catholic Church's "Continuing the Vision Campaign," we began construction of a 35,000 square foot school building addition. This addition includes a new, larger cafeteria; a new, larger gymnasium; and several additional classrooms. It also includes expanded space for the Vogelweid Learning Center, St. Peter Interparish School's program for developmentally disabled children, as well as dedicated space for the Interparish band program and extended learning activities.

We appreciate all of your past and, hopefully, future support. This year, the proceeds raised from this 7th Annual St. Peter Interparish School Golf Classic will be used to benefit our Vogelweid Learning Center.

Please help us continue to make great things happen for the children of St. Peter Interparish School.

Dear Special Guests, Sponsors, Players, Volunteers and Friends:

Bruce and I are delighted to serve as Honorary Chairpersons of the 2010 St. Peter Interparish School Golf Classic. We are proud supporters of St. Peter Interparish School and believe in its mission to inspire children, to love God, their Catholic faith, and learning.

The Crane family has benefited from the education provided by St. Peter Interparish School for more than 30 years. Bruce and his sisters, Jenifer and Malinda, are all graduates of St. Peter Interparish School as well as our daughter, Michaela, who graduated in 2009. Our son, Colin, is currently attending St. Peter and is in the fifth grade.

Education is so much more than what is written in textbooks. We believe that St. Peter Interparish School provides our children with not only core curriculum education, but also with opportunities to attain the skills to help them lead productive, faith-filled lives. Extracurricular activities provide leadership, volunteer and character-building opportunities. These activities such as athletics, music and theater allow students to build decision-making skills that keep them true to their faith.

St. Peter Interparish School has seen many positive changes over the last few years. It is through the hard work and determination of both our parish and community that these changes were possible. We believe it is important for the school to continue on a path of growth in both its academic curriculum and in the extracurricular arena. Children who are provided with more growth opportunities will be stronger leaders.

Whether you are playing golf, sponsoring the event, or otherwise offering support, we thank you. The St. Peter Interparish School Golf Classic helps us raise the needed funds to allow us to continue to provide and expand the quality education our children receive. On behalf of the St. Peter Interparish School Special Projects Committee and the entire St. Peter School family of parents, teachers, and children, thank you for your support and involvement.

Bruce and Leslie Crane  
Honorary Chairs

# 7th Annual St. Peter Interparish School Golf Classic
